BODY OF SENIOR ADVOCATES OF NIGERIA (BOSAN)

ANNUAL INDUCTION PROGRAMME FOR **SENIOR ADVOCATES OF NIGERIA** DESIGNATES

Theme:
The Silk Rank -
Preserving the Legacy of Distinction

National Anthem

I.
Nigeria, we hail thee,
Our own dear native land,
Though tribes and tongues may differ
In brotherhood we stand,
Nigerians all, and proud to serve
Our sovereign Motherland.

II.
Our flag shall be a symbol
That truth and justice reign,
In peace or battle honour'd,
And this we count as gain,
To hand on to our children
A banner without stain.

III.
O God of all creation,
Grant this our one request.
Help us to build a nation
Where no man is oppressed,
And so with peace and plenty
Nigeria may be blessed.

National Pledge

I pledge to Nigeria my country
To be faithful, loyal and honest
To serve Nigeria with all my strength
To defend her unity,
and uphold her honour and glory
So help me God

ABOUT THE BODY OF SENIOR ADVOCATES OF NIGERIA (BOSAN)

The Body of Senior Advocates of Nigeria (BOSAN) is an independent organization comprising highly distinguished practitioners in the legal profession. Its main objective is to advocate for leadership in the legal domain while upholding professional ethics, integrity, and a superior level of legal practice within the Inner Bar and the legal profession in Nigeria.

AIMS AND OBJECTIVES

- To promote professional responsibility amongst members and to maintain and defend the professional integrity of the members of the Body.
- To promote the independence of the judiciary, the rule of law, the highest professional standards of legal practice, legal education, and the advancement of advocacy and jurisprudence.
- To maintain the highest standards of professional ethics, conduct, etiquette, and discipline.
- To establish supportive relationships with the Nigerian Bar Association, the Body of Benchers, the Council of Legal Education, the National Judicial Council, the Legal Practitioners' Privileges Committee, and the Disciplinary Committee of the Legal Profession and with International Bodies sharing similar objectives of the Body.
- To ensure and maintain the dignity of the rank of Senior Advocate of Nigeria.

MEMBERSHIP

Any legal practitioner who has been conferred the rank of Senior Advocate of Nigeria and sworn in as such becomes a member of BOSAN subject to meeting the requirements of financial membership. The Body's constitution governs

membership and aims to promote good administration based on the principles of freedom, equity, and justice. The constitution takes precedence over any Rules and Regulations. Members of the Body are committed to being a social, non-political, non-governmental entity representing the interests of justice as it relates to all persons, both natural and corporate persons.

THE BODY

The Body, as of 23rd September 2025, comprises 899 distinguished practitioners, with about 147 members now of blessed memories. Its membership includes advocates and academics, and it operates under a well-defined constitution. BOSAN fosters collaboration and is governed by a clear constitution. BOSAN promotes a cooperative and lively atmosphere among its members through quarterly meetings and annual gatherings. If the Attorney General of the Federation (where he is a Senior Advocate) is unavailable, the Vice-Chairman or, in his absence, the most senior member of BOSAN assumes the role of Chair, ensuring continuity in leadership.

COMMITTEES

BOSAN's standing and ad-hoc Committees are formed periodically, with ad-hoc Committees established as needed. These committees have a diverse membership and follow specific terms of reference. These committees play vital roles in the organization's activities and their membership represents all six (6) geo-political zones of Nigeria and draws from various backgrounds. These roles include organizing the Annual Dinner Annual Lecture series, publishing the BOSAN Law Journal, granting scholarships to qualified law students, and conducting induction programs for newly appointed Senior Advocates. The BOSAN Leadership Committee, led by Mr. Paul Usoro SAN, oversees these initiatives with support from subcommittee chairmen Mr. Dele Adesina SAN, and Prof. Lanre Onadeko SAN.

The forefront of BOSAN's focus includes initiatives aimed at fostering professional development. In 2018, the Body introduced the Continuing Legal Education Unit, emphasizing legal ethics and professionalism. An offshoot of this initiative is the Law Practice Journal, which has seen three successful editions published. The Scholarship Program is a critical initiative by BOSAN, addressing declining standards in legal practice. It prioritizes support for law faculties and the Nigerian Law School, fostering competition and sustained interest among university students. Annually, the program awards a prize of ₦1,000,000.00 to five deserving Law Schools. The selection process involves rigorous tests for 400L law students with a CGPA above 4.50 on a scale of 5.00. This program has recognized a total of 21 scholars, with the most recent event taking place in 2023. Notably, one of the recipients was the best-graduating student at the Nigerian Law School in 2019.

Since its inception in 2017, the BOSAN Annual Dinners have been highly successful, with esteemed individuals such as the former Vice President of the Federal Republic of Nigeria, His Excellency Professor Yemi Osinbajo, GCON, SAN, Dr. Christopher Kolade, CON, and Former military President of Nigeria, His Excellence, General Abdulsalami A. Abubakar, GCFR, gracing the prestigious event. The Sub-Committee organizes this grand affair to welcome and integrate new Senior Advocates of Nigeria while fostering interaction with other esteemed members of the Inner Bar and the Bench. Additionally, the Annual Dinner serves as a platform for awarding the BOSAN Scholarship.

BOSAN adopts a proactive approach to education and professional development and prioritizes upholding standards and ethics within the Inner Bar. The Ethics Committee hears complaints about unprofessional or unethical conduct of members, ensuring the maintenance of the highest standards and recommending appropriate sanctions to the relevant authorities.
